Are you awesome at:

- Connecting strategy with planning
- Influencing people
- Communicating strategy for on the ground action

Our Field Officers connect campaign and organising strategies within their region to support members' industrial and professional goals.

Tasks are varied and include:

- Planning for regular contact and visibility for your assigned worksites / member groups
- Developing leaders from within membership
- Using knowledge of education sector or union organising to support members

In this role you will learn a lot about how organising and campaigning is converted into activity in the field. This role involves regular travel around Tāmaki Makaurau and may involve travel around Te Tai Tokerau.

We really value great ideas and enthusiasm and look forward to hearing from you about the skills you can bring to this role.
