Becoming an employer party to the agreement means that all the early childhood education centres/services you (as the employer) operate are included in coverage under the agreement. The staff employed in these centres/services are included in coverage under the agreement, and the terms and conditions apply once they have joined as a member of NZEI Te Riu Roa. *NB: If an employee chooses not to become a union member then it is your responsibility as the employer to negotiate an individual employment agreement with them.*
